

**Physical Science – 8th Grade
1st Quarter Exam Study Guide**

Exam Date: Tuesday, October 16, 2009

The 1st quarter exam will cover the following:

Topic:

What to Study:

Ch 1 Secs 1 and 4

What is Physical Science and
SI Measurements

textbook pages 6 – 7, 24 – 27

notes as well as all math

old test

Ch. 2 Sec. 1

What is Matter, Gravity,
Differences Between Mass
and Weight, Inertia

textbook pages 36 – 42

notes, classwork/homework

old test

Ch. 3 States of Matter

textbook pages 60 – 64

notes/handouts, classwork/homework

no old test

All old tests should have been corrected by now and the students should have come to tutoring to check those corrections.
